

RESUME

Instrumentation & Control Engineer

Last Name: Rahmansetayesh

First Name: Morteza

Place & Date of birth: Shiraz-06/08/1976

Marital status: Married

Contact:

Phone No.: +989177110585

E-mail: m_setayesh@bpciran.com

EDUCATION: B.Sc. in Electronics Engineering from "Shiraz University". (Graduated Year: 1998)
M.Sc. in Electronics Engineering, Kazeroon University, (Graduated Year: 2015)

Synopsis: I have 18 years' experience in Petrochemical projects including:

Engineering (Conceptual, Feed, SIL and HAZOP study and Basic & Detail Design), Construction, Commissioning, Start up, Maintenance and Inspection.

Background including knowledge and experience of field instrument (calibration, maintenance), DCS, PLC, F & G systems, Hydraulic control systems, modification in instrument documents based on oil & gas standards such as ISA, API, IEC, CENELEC, etc.

I contributed in HAZOP and LOPA study of some projects including; AR4 project, Metering System of OTC and LTE-HDT projects and I am a member of HAZOP team of Nouri Petrochemical Company up to now.

WORK EXPERIENCES (From the latest to first):

From 2002 to Present:

Company: National Petrochemical Company

Project: AR4 Project (Borzouyeh Petrochemical Company).

- Position: Instrument Dept. Manager.

- Senior Engineer in LTE-HDT project, in parallel (2008 up to 2012)

- Lead Auditor of the Management Systems including: ISO (9001,

14001, OHSAS18001, 50001, TS29001, HSE-MS) from 2017 up to now

From 2001 to 2002:

Company: Air & Space Organization

Position: Electronic Engineer Designer

From 1999 to 2001:

Company: Amvaj Nouri Company (Computer Company)

Position: Head of Technical Services

SPECIAL TRAINING Courses:

- 1-Fundamentals of Process Safety Management, ADEPP Academy, 2018
- 2-Basic, Structure, Documentation & Auditing of Health, Safety, Environment Management System HSE-MS (RWTUV)
- 3- Safety Integrity Level in Oil, Gas and Petrochemical Industries course, Petro-Imen Sharif Co., June 2012.
- 4- Hazard Identification and Risk Assessment, TUV NORD, Sept., 2011.
- 5- Hazardous & Operability Study, ICARO, 2011.
- 6- Quantitative Risk Assessment (QRA) Training Course, TUV Rheinland Group, 2017
- 7- Root Cause Analysis (RCA), 2017
- 8- Environmental Management Systems Auditor/ Lead Auditor Training Course (Based on ISO 14001:2004), NigelBauer, 2014
- 9- Quality Management Systems Auditor/ Lead Auditor Training Course (Based on ISO 9001:2008), NigelBauer, 2014
- 10- Occupational Health & Safety Management Systems Auditor/ Lead Auditor Training Course, (Based on OHSAS 18001:2017), TUV NORD, 2014
- 11- Balanced Score Cards (BSC), TUV NORD, 2012
- 12- EFQM Upgrade Assessor Training, EFQM Training, 2013

- LANGUAGES:**
- 1-Good written and spoken English
 - 2-Persian (Native)
